

SECONDS AGO IN A GALAXY NOT SO FAR, FAR AWAY LOOMS THE....

BLACK BLOGGERS UNIVERSE

It's an inky, intergalactic cesspool of pretty celebrities doing both smart and dumb things and tech-savvy digeratti armed with 4G Android phones capturing it all on tape. Quick hit website stories speed by like comets. Asteroid belts of bad decisions destroy thousands in their wakes. Black holes occasionally silence careers. And the fastest blogger on the upload usually wins the race with the most readers in this gossip-strewn final frontier.
